

## **BIOGRAPHIE – SILENT CIRCUS**

Welcome this new Metal outfit hailing from Switzerland, which represents the Modern Breed of Heavy Metal in every way. The sound itself has everything a contemporary Metal production needs: A solid rhythmic foundation, diversified drumming and first class guitar work, containing speeding twin leads, atmospheric acoustic parts, squeals and raging solos.

On top of the instrumental part, vocals of singer Peter Haller mix harsh voices, epic choruses and catchy melodies which will give you goose bumps every second of listening!

The diversified songwriting, interesting sound structures and the personal and intense lyrics complete the picture you will get of SILENT CIRCUS: There are still young and hungry bands out there who have something to say, write groundbreaking songs, can handle their instruments and simply have a sound to rock out to!

SILENT CIRCUS recorded their debut album "Into The Silence" at Hammer Studios Hamburg, together with producer Eike Freese (Deep Purple, Gamma Ray, Callejon, Dark Age, etc.) in August 2010 (release: 11.11.2011).

In 2012, SILENT CIRCUS played a total of 28 shows all over Switzerland, and already stepped across the border with shows in Germany and Austria.

SILENT CIRCUS took the next step in their career and managed to play at Switzerland's biggest Rock & Metal-Event, the Greenfield Festival in 2013. They also teamed up with renowned guitarist Cédric "Cede" Dupont (Freedom Call, Symphorce).

The second album - which is called "Rise and Fall" - has been recorded by the band itself. They teamed up with upcoming swiss producer Lars Christen (Pegasus, Bastian Baker, James Gruntz etc.) who handled the vocal production & recording.

"Rise and Fall" was mixed and produced by german gold award winning and 2 times german grammy nominated producer Sky van Hoff (Caliban, The Sorrow etc.). The music of SILENT CIRCUS has evolved into a distinct mix between modern influences blended with their more classic metal roots, resulting in a very unique sound.

The highly anticipated successor of "Into The Silence" will hit the stores in the first half of 2016.

SILENT CIRCUS have shaped up to a powerful live force, they are more than ready for the 2016 concert- and festival-season.
